PUERTO RICO Health & Insurance CONFERENCE 2012 ***Economic Transformation in Health***

Mrs. Rosemarie Day
President, Day Health Strategies

Rosemarie Day has over 20 years of experience in the public and non-profit sectors, including 16 years of leadership experience in state government. Rosemarie served as the founding Deputy Director & COO of the Commonwealth Health Insurance Connector Authority in Massachusetts. At the Health Connector, Day played a significant role in launching the award winning organization that established the first state-run health insurance exchange in the United States. The Health Connector served as a model for health insurance exchanges in national health reform.

Rosemarie is currently serving as a Senior Advisor with Health Management Associates in their health reform practice. She is also a Visiting Fellow at the McCormack Graduate School of Policy Studies at the University of Massachusetts, Boston.

Prior to health reform, Rosemarie served as Chief of Staff to the Dean of Harvard Kennedy School from 2004-2006 where she helped to lead strategy planning and launch several new initiatives. She also served as the COO for the Massachusetts Medicaid program, covering more than 1 million members. She has held several senior level fiscal positions, including Assistant Secretary for Administration & Finance, as well as Budget Director for the Department of Transitional Assistance, a \$1 billion dollar state agency.

Rosemarie holds an AB from Stanford University and a Master in Public Policy from Harvard's Kennedy School.
