Architect, José Gelabert-Navia
AIA, LEED AP, Principal Managing Director
Perkins + Will

Architect José Gelabert-Navia consistently provides leadership and innovation for a wide variety of project types, including academic buildings, museums, corporate and residential projects. As Managing Director of the Miami office for Perkins + Will, his 25 years of architectural experience promote office collaboration and ensure client satisfaction. Gelabert-Navia is currently working on the new DYL Center and recently completed the Village of Merrick Park Multi-Use Complex in Coral Gables, Florida.

Gelabert-Navia is responsible for leading the way for the office's Latin American Initiative, in areas such as Brazil, Chile, Colombia and Mexico, developing relationships with clients and partners. He is also a Professor of Architecture and the former Dean of the School of Architecture at the University of Miami.
