PUERTO RICO
Health & Insurance CONFERENCE 2011
"A New Economy in Health Care"

Mr. Roberto Pando

VP Strategy, Research and Development, MCS, Inc. and
Chairman of the PR Health & Insurance Conference 2011

Roberto Pando, is the Vice President of Strategy, Business and Development at MCS. He studied his Bachelor's Degree in Economics at the University of Michigan in Ann Arbor, and later went on to the London's School of Economics to obtain a Masters in Social Planning. After he began working full time as a consultant in the late 1990's, he also continued his academic development at night and obtained a Juris Doctor's at the University of Puerto Rico. Roberto went into the challenges of healthcare systems since the beginning of this career when he worked as a consultant for the Federal District Court in several projects related to the Correctional Health System in the Puerto Rico. He later on became Deputy Executive Director of Puerto Rico's Trade & Export Company where he was in charge of multiple programs that support the development of small businesses in the island, as well as their involvement in international trade. In 2004, Roberto joined the MCS team as Medicare Compliance Director and supported multiple areas before being promoted to Vice President of Business Development. Among his various projects and tasks, Roberto has led the development of products and services for all the business lines at MCS including Medicare, Medicaid and commercial health. With the newly appointed title of Vice President of Strategy, Research and Development, Roberto is part of the MCS team of leaders focusing on the continuous development of the company towards the future. While maintaining active participation in the business community, Roberto also serves this year as president of the PR Chamber of Commerce Health Committee and Wellness Unit.
