

Jonathan A. Meyers, FSA, MAAA is Chief Actuary Officer of InnovaCare Health (MMM in Puerto Rico) and Chair of the Technical Committee of MMAPA. He has over 25 years of experience in all facets of Managed Care. He oversees InnovaCare's Actuarial, Risk Adjustment and Analytics functions and provides operational and strategic input to Executive leadership.

Meyers is a key advocate for the Puerto Rico Healthcare community both locally and at the Federal level trying to bring fair and equitable treatment and funding to the Medicare and Medicaid programs.

Meyers previously served in various Senior Actuarial, Financial and Operational roles as a key advisor to leadership for a wide-ranging size of plans, risk bearing groups, employers and unions nationally.
