

## José E. Valentín Cameron

In 1994, José Valentín began his career as an auditor and consultant at KPMG Peat Marwick, in the San Juan office. During his experience, he participated in the implementation and administration of different healthcare plans.

In 2000, he was the Comptroller and Treasurer of the Board of Directors for Canada Life Insurance Company of Puerto Rico. Then, he joins to Cooperativa de Seguros de Vida (COSVI) as Assistant Vice President for the Health Care Division, implementing the Direct Contracting Model for the Medicaid Program at the Southeast and Northeast regions.

In 2007, he moved to Humana Health Plan as Finance Director, where he was responsible for the fiscal processes and contracting of medical groups in Medicaid, Medicare Advantage and Commercial products.

Currently, he chairs the company FM Salud, Inc., where he is in charge of the administration of the Government Health Plan of Puerto Rico (GHP) for the regions of San Juan, North and Virtual, with approximately 300,000 beneficiaries.
