New Fiscal Plan for Puerto Rico, January 24, 2018.

- The New Fiscal Plan projects that the population will decline by 7.7% during Fiscal Year 2018, that is between July 1st, 2017 and July 1st, 2018.
- Assuming no natural change in the population (births = deaths), that is equivalent to about 250,000 people migrating on net during the present fiscal year.
