Waleska Crespo Rivera, MHA

Waleska Crespo Rivera is Executive Director of the Cardiovascular Center for Puerto Rico and the Caribbean. She has a Bachelor Degree and internship in Nutrition and Dietetics with specialty training in diabetes and obesity management, with experience in both hospital and primary care. Since completing her Master Degree in health services administration in 2000, she has conducted evaluation projects on the Government Health Plan, health literacy research in diabetes and hypertension, consulting for managed primary care organizations, and served as administrator in a large acute care hospital. She currently serves on the boards of the Puerto Rico Hospital Association and the Puerto Rico Comprehensive Cancer Center and is adjunct professor in the Health Services Administration Program of the University of Puerto Rico, where she is also completing a Doctor of Public Health in Health Systems Analysis.
